Thornton building expansion has been on the move since 1949 when the present gymnasium was constructed. The Industrial Education building and the Fieldhouse are the other separate buildings erected. Extensive remodeling has completely surrounded the old main building in the center. A two-story classroom and office wing was added to the west, a third floor added to the northeast, the cafeteria, kitchen, and dining rooms enlarged, and most recently, the new theatre wing with offices and classrooms built to the south. All of this adds up to a new look that the Thornton community views with pride.

# *Gala Theatre Opening Pleased Community*

A free talent show to thank citizens for their support of the bond issue which made the new theatre possible was the first big production at TTHS last fall. Acts in the show came from Thornridge and Thornton Junior College as well as TTHS. To the original schedule of performances on Friday and Saturday evenings, October 22 and 23, a third was added for Sunday afternoon, so popular were the tickets. The big theatre was filled at all three performances.

Backstage tours were conducted after each performance of "Showcase '65" so that friends of Thornton might see what is regarded as one of the best equipped secondary school theatres in the area. Faculty members of the Speech department plus student members of Theatre Technicians were on hand to show off the new facilities.

# *Stand-Up Introduced Freshman Girls to TTHS*

Freshman Stand-Up, first event of the year for new girls at Thornton, was in the theatre this time. The Girls Club sponsored assembly began with singing of the Welcome song by JSA candidates. Traditional stunts followed presentation of symbolic gifts to the queen. After the senior fashion show, which used the Stand-Up theme—Freshman a Go-Go—May Queen Court, chosen last spring, was introduced. As freshman girls left the theatre, each one was presented with a friendship ring.

In keeping with British Christmas tradition, Speech and Drama department presented James M. Barrie's wonderful story of Peter Pan. Two performances on Friday, December 17, were for grade school children. Two on Saturday were for the general public. On Sunday Ingalls-Shepard Employees Association and their families took over the whole theatre for two performances. Technical problems of production put the new theatre to the test as no other play could do.

A Christmas holiday tradition at TTHS is the annual get-together of Thornton grads, college bound seniors, and faculty who stayed in town at vacation time. This year's open house was on Monday, December 27, in the Garden room of the cafeteria. One hundred fifty guests registered. Mr. Beier, college counselor, was especially pleased at the turnout. Grads present represented all of the classes from 1959 to 1965. Alumni attendance now rivals, perhaps tops, the number who come for Homecoming activities in the fall.

After dinner in the cafeteria, they all adjourned to the auditorium for a fun program. Swing Choir sang several delightful numbers. Boys Club, under the direction of Mr. Willie Brown, Jr., has completed another successful year of activities. Mr. Brown succeeds Mr. Melvin DeGraff in this position, and works closely with the club president, Dean Mitchell, promoting enterprises for the welfare of boys at TTHS.

Any male of good citizenship standing may become a member of this organization. Officers and board meet daily to discuss club activities, and homeroom representatives meet as needed.

Projects completed during the first semester were the March of Dimes collection and a record hop co-sponsored with the T-Ettes. Members were kept busy with the Boys Club honors assembly, a float in the Homecoming parade, a gym jam, and the big brother—little brother campaign.

Second semester was just as full with the annual Mother-Son banquet, another gym jam, and escorting eighth graders around the buildings to get them acquainted with the school. In addition to all of these activities, Boys Club provides hall guards for the corridors. These boys are expected to maintain order in the halls, check passes, direct visitors, and deliver call slips. Scholarship breakfast was a new activity this year.

Purple X Committee is the organization which handles open house dances after home football and basketball games. Mr. Henry Harms is sponsor.

New members are elected by a faculty committee from a list of nominations made by PX members and faculty. Eligibility is on the basis of scholarship, dependability, and willingness to serve.

PX members attend monthly business meetings, sell tickets during homeroom and lunch periods, as well as at the door, and work at the dances. Check rooms and refreshment stands are among their special duties.

Besides sponsoring the dances after home games, Purple X brought two assemblies for upper classmen—the lecture by Professor George Walter and the concert by the Indiana University Chorus.

PX is also promoting an outdoor announcement board, which will tell of coming events and will be located in the parkway south of the gym. PX will finance any servicing necessary over the years.

By paying twenty-five cent yearly dues, girls of Thornton can be members of Girls Club. Seventy five percent of Thorton girls do join. Those who take an active part carry out its aim of promoting friendship and good will among all TTHS girls through service to one another, to the school, and to the community. Sponsoring American Field Service girls from foreign countries is one such good will project.

Sponsor of the club is Mrs. Dixie Turngren, dean of girls. Besides the six major officers—president, first and second vice-presidents, secretary, treasurer, and speaker—there are a board and a council. Board, which makes club policies, consists of three freshmen, four sophomores, five juniors, and six seniors. Council members are one girl from each homeroom period.

Because Girls Club activities are divided among numerous committees, there is at least one meeting a day in the newly decorated club room.

# Full Calendar Meant Many Activity Chairmen

Girls Club social activities began with the Freshman Stand-Up in the new theater. Afterwards a friendship ring was given to each freshman girl. Freshmen began to earn their white T-pins by working on the Girls Club Homecoming float and by selling candy in the fund-raising project.

Dad-Daughter banquet gave girls a chance to honor their fathers with food and entertainment. Two scholarship breakfasts, one each semester, gave recognition to those girls having one or more semesters of straight A.

Mr. Irresistible Day and the Turnabout Dance catered to the boys. Mr. Irresistible was the boy to whom girls could not resist talking. Club members asked their favorite boy friends to the Turnabout Dance. In May, girls treated their mothers to the Mother-Daughter banquet where the May Queen was crowned. Social activities of Girls Club ended with the installation of officers assembly.

# Newspaper Editors, Staff Published Thirty Issues

Thorntonite newspaper staff, under the direction of Mr. Edward Olson, editorial adviser, and Mrs. Roselee Hicks, business adviser, worked hard to publish thirty issues of the Thorntonite. The staff had forty-four members—editors, managers, reporters, and slaves.

A six-page Christmas edition in hot pink, burgundy, and blue was a striking feature.

One extra project was the Thorntonite-Purple X record hop featuring Herb Kent, the Kool Gent, and the Epics. Another was the annual field trip to one of the big Chicago daily newspapers.

A new wooden sign over the office entrance was the pride and joy of the staff, from editors on down.

# Yearbook Highlighted Activities at Thornton

Seven deadlines to meet so that yearbooks would be on time—that was the job of the nine member yearbook staff and their adviser, Miss Washburn.

First deadline came in November, when all underclass pictures went to the printer. December meant faculty pictures and the senior index. January brought senior panels into focus. All club and department pages plus some sports pages went in on the February deadline. When March was over, everything was in but the few pages of spring sports.

In between times there were pictures to take, copy to write, proof to read, and distribution plans to make. Since subscription sales never pay the total bill, the sale of underclass and miscellaneous pictures brought in the rest.

# Bookstore, Libraries Needed Student Helpers

Liberets were student assistants in the TTHS libraries. Besides their regular work, they had extra projects such as an entry in the Christmas door-decorating contest and a column in the Thorntonite newspaper. "Liberets Suggest a Book to Read this Week" attracted considerable interest.

Liberets had a part in the KIP International Dinner and also had luncheon and dinner meetings with student library assistants from other South Suburban schools.

Bookstore assistants delivered service with a smile to students and faculty and aimed to have for sale supplies that were needed. Preparation of student rental envelopes for next year was completed by the end of first semester. Big end-of-the-year project was the annual inventory.

Counselors' and office assistants, under the supervision of Mrs. Finnegan, were kept busy this year. Included in their duties were filing, issuing tardy passes, and recording program changes to keep records current.

# Thornton Bands Had Busy Year of Performances

Thornton bands, directed by Mr. Eugene Johnson, are really a series of bands advancing from Cadet Band for beginners to the Concert Band for accomplished players. Marching Band, a division of Concert Band, plays at football games and marches in community parades as well as at Homecoming.

Thorntoneers are the school dance band. Terry Tritt and Ken Hartenian, as aides, assist Mr. Johnson in directing. Thorntoneers played at the Parents Dinner and Prom and in the Chicagoland Stage Band contest plus many community engagements.

Cadet Band, with members chosen through auditions, aim to develop themselves into real musicians. Junior-Varsity Band is the next step up.

Swing Choir is conducted by Mr. Al Kindig and meets one day a week. The group presents lighter music, accompanied by a small combo of piano, bass, drums, and guitar, for special occasions. Swing Choir performed at such school functions as Dad-Daughter dinner and "Showcase '65." For the community they appeared at the dedication of the State Employment Agency and at Cherry Hills.

Orchestra, conducted by Mr. Lyle Hopkins, performed for Optimist Club and other service clubs as well as for the Federated Church Men's Club and at assemblies in elementary schools. At TTHS they were in the Christmas Concert and Spring Music Festival and played for the annual dinner of the Band and Orchestra Parents Association. They aim to bring more fine music into daily living.

Basic requirements for membership in Thornton's choirs are an interest in music, a sincere desire to sing, and good citizenship. Members are selected by audition. Daily rehearsals help to develop the voice. Freshman Girls Glee Club provides a training ground for higher organizations by teaching fundamentals. Intermediate Choir gives practice in singing with a mixed group. Girls Choir members are on a concert level. Besides being in the annual Christmas Concert and Spring Music Festival, the group makes several appearances outside of school at hospitals and churches.

Something new has been added to Thornton's choral department—the Freshman Mixed Choir. Besides the Boys and Girls Glee Clubs, there is now this new group for underclassmen interested in singing in a mixed chorus. As with all the choral groups, membership in these organizations is determined by audition, interest, and citizenship. Freshman Choir, Boys Glee Club, and Girls Glee Club rehearse every day. Their major projects are the Christmas Concert and Spring Music Festival. Both concerts have full community support, especially from the P-TA.

Cream of Thornton's choral crop—Klefs, Madrigal Singers, and Concert Choir—have been busy. They sang at churches, schools, service clubs, at civic functions, and at school concerts. Perhaps it was their new robes that inspired Concert Choir to do so well at the Borg-Warner Building and the Chicago World Flower and Garden Show.

Among other appearances, Madrigals participated in a district contest, and Klefs also took a trip downtown. Membership for these organizations is more selective than for the others. Klef and Concert Choir candidates must be able to carry a vocal part well and have an interest in singing a wide variety of music.

Madrigal Singers present mainly 14C Italian and 17C English madrigal music. Candidates must have an exceptional musical background and good tone quality to blend well in such a small group.

Concert Choir, with SOLOIST Ron Wheatley, sings at the Variety Show.

Take a new stadium, an outstanding field house, and a modern, well-equipped gymnasium and you have the background for an excellent sports program. Add to these a large and enthusiastic Pep Club, a corps of spirited Cheerleaders, plus championship Teams and you have the formula for League Winners. Thorntonites were so loyal that some of them earned the title of Fanatical Fans. Other sports like wrestling, swimming, and gymnastics had their share of followers, too. From beginning to end of the school year all Thorntonites enjoyed their own brand of sports.

*EPICS played for most of the Purple X dances this year.*

Purple X open house dances followed home football and basketball games. When PX Committee members took the notion that students might like a new type of music from that of the Thorntoneers, they profited from results of the KIP-sponsored "Battle of the Bands." The Epics agreed to play at most of the dances with the understanding that other bands would sometimes play also. Newports, Bounty Hunters, Marquees, and El Dorados have been on the list and have played when the Epics had prior engagements. Thorntoneers, the TTHS dance band, have played at PXes this year, too.

Thornton Wildcats were off to a flying start when they walloped Joliet West, 33—7, in the season opener, in spite of rain and mud. Next, they took on the Cardinals from Eisenhower, to dispose of them, 41—7. Third to bow was Thornridge, 27—6. After beating Joliet East, also by a 27—6 score, Cats came up to the big challenge from Lockport at Homecoming. Result was a 46—0 swamping of the Porters. After a triumph of 47—21 over Joliet Central, Cats drowned Argo, 69—0, sent Bloom to its doom, 41—13, and thereby captured the South Suburban League crown. When Kankakee, last on the list, fell 55—0, TTHS record was 9 won, 0 lost, and 0 tied, their first perfect season!

*Coach Czech speaks his mind in no uncertain TERMS.*

Head coach Frank Bauman, with his assistants, Ted Czech, Joe Keane, and Clifford Smith, guided Thornton's varsity football team through a very exciting season. When honors came flocking in at schedule's end, the Champaign News Gazette named Thornton the "Mythical State Champion" for 1965. Chicago Sun-Times named Thomas player of the year. Chicago Daily News put Thomas and Bruce Derr on their 44-man, all-area team. Radio WAIK of Galesburg added its award. Wildcats shared with Loyola of Chicago the No. 1 rating of the Sun-Times, usually for city champions only.

Thornton's 1965 Wildcats, honored as the best team in South Suburban League history, landed eleven men of a possible thirty-three on the all South Suburban team. On offense were Jenkins Davis and Terry Kinas, guards; Bob Erdell, center; Harry Mech, quarterback; LaMarr Thomas, halfback. On defense were Ray Jakubiak, end; Dave Murray, guard; Mark Callanan, linebacker; LaMarr Thomas, halfback. Honorable mention went to Larry Snoddy, halfback; Rick Jones, guard.

State tournament excitement was already high when fans gathered outside the restaurant on Thursday night to send the boys on their way. Roars of cheers went up. Next day at school there were lines of hopeful ticket buyers, classes dismissed at noon, and a special train departed for the games. Three amazing victories in a row made the Wildcats champs—Number ONE! Escorts of police cars and fire trucks met the boys on the highway Sunday afternoon and brought them to the gym where a huge crowd waited to welcome them home.

# *Wildcats Reach Their Goal—State Championship!*

WE'RE NO. 1! chanted Thornton fans as the Wildcats stunned Galesburg, 74—60, in their final game of the 1966 state basketball tournament. For thirty-three years, ever since the Flying Clouds of 1933 had been champs, Thornton teams have had their eye on that goal. In 1961 they came closest—second place. Last year it was fourth, but in 1966 they made it—all the way to the TOP. In preparation, Wildcats won all of their league games but one—the second one with Thornridge—and they took second, behind Benton, in the Centralia tournament. Through the season they perfected their technique until they had a smoothness that swept all serious threats out of the way.

Conference meet champions were Edgar Anderson (138 pounds) and Leroy Dailey (heavyweight). In district competition the Matcats took third, but in the sectional, they moved up to second. Adams, Legault, Roberts, and Frank had wins. Roberts and Frank finished third; Adams and Legault moved up to state, where they did well but didn't take honors.

Thornton's Swimcats stole a third place in the district swim meet at Thornridge when they were expected to take only fourth or fifth. They finished just behind Thornridge and Sandburg. Thornton's only first was Doug Marsh in diving. Herb Hunn came in fourth in 400-yard freestyle and seventh in 200-yard freestyle. Lee Ekstrom placed second in 200-yard individual medley as well as fifth in 100-yard breast stroke. Cyrus Joyner placed second in 50-yard freestyle and thereby qualified for state. Freestyle relay team of Rich Nicholson, Jim Hillman, John Boers, and Joyner broke an old school record on the event. Hunn and Ekstrom broke their own records as well as those of the school in their events.

Gymnasts began their season with five consecutive wins over Rich Central, Rich East, Hinsdale, Niles East, and Glenbrook South. Then disaster struck. Both Glenbard East and Waukegan tromped on the Gymcats. Against Proviso East, in spite of four firsts out of a possible six, Thornton came out on the losing end of the score. Jim Morlan on tramp, Tom Neville on sidehorse, Harley Roberts on rings, and Dan Wunderlich in tumbling were the firsts. After defeating Wheaton Central, New Trier, Thornridge, gymnasts won a quad meet at Rich East. A loss to Willowbrook was followed by a third in district that sent Roberts and Neville to state, where both made good showing for TTHS.

Brian Rockett broke both school and meet records in broad jump—22′3″. Sophs tied for first in the quad, won all the others, and also upset records in broad jump—21′3″. Paul Jones was undefeated in high and low hurdles; Larry Smith, in 50-yard dash and broad jump. Sophs rated 19 ribbons.

# T-Ettes, Twirlers Boosted Fan Morale

T-Ettes are a precision dance group that specialize in performing at football and basketball games and at pep assemblies. They took part in the Homecoming parade and had a number in the fall variety show. Their special production number was an Indian one called Pom-Pom-Pow-Wow, with choreographing by their sponsor, Mrs. Arlene Bruno.

Twirlers did most of their performing with the band but appeared in contests and community affairs also. Mrs. Bruno was their sponsor, too.

TWIRLERS. Gloria Boyer, Eileen Stewart, Sherry Badis, Margo Langhoff, Roxanne Hampton.

# Cheerleaders, Pep Club Kept Crowds Cheering

Thornton's cheerleaders were practically as hard working as the athletic teams they backed. Daily practice, gymnastics training, knowledge of the games, and unending enthusiasm were the qualities and skills they had to have. Successful teams made their job easier but didn't lessen their hard work. Miss Winslow was sponsor.

Pep Club backed the cheerleaders as well as the boys on the teams. They were the group the cheerleaders could always count on to bolster school spirit. Miss Powers was their sponsor.

CHEERLEADERS. *Front* (Varsity): Virginia Seidel, Mary Ellen Dehnert, Christine LaVette (co-captain), Sue Warns (captain), Penny Kane, Anne Massick. *Row 2* (JV): Lavonne Dennis, Carroll Koliboski, Jane Halagiere, Tina Gigler, Jean Halagiere, Sue Aprati.

# GAA Promoted Many Girls Sports Activities

Girls Athletic Association is here to promote athletics for girls and to further health, sports, and school spirit. Completion of one sports season is the only membership requirement. There are nine weeks to a sports season and girls are offered approximately seven to nine sports from which to choose. The newly organized GAA forum sponsored bowling and roller skating. The whole group offered a gym jam and a Christmas tea for members. Freshmen as well as seniors participated in the sports that were offered. Sponsor was Miss Musso.

# PEOPLE *at TTHS*

SUPERINTENDENT. Dr. James D. Logsdon, B.Ed., M.A., Ph.D., superintendent of Thornton Township schools.

# Superintendent Coordinates Thornton Schools

Thornton's busy superintendent, Dr. James D. Logsdon, has three schools to keep an eye on—Thornton, Thornridge, and Thornton Junior College—a third high school to plan for, and some problems to solve regarding the new junior college laws in Illinois.

Trying to attend as many school functions as he can, being an impartial spectator when the two high schools are athletic rivals, and keeping in close personal touch with faculty, staff, and students is a terrific job.

Besides his duties as superintendent, he is interested in community affairs and is often called upon to speak on educational matters.

Dr. Logsdon is recognized both in this country and abroad for his interest in current trends in education. This summer he will meet with the Atlantic Treaty Organization in Lisbon, Portugal. Theme of the conference is teaching of economics in relation to world understanding.

Dr. Logsdon frequently spends part of his summers teaching in universities. Last summer, for instance, he was at the University of Maine, teaching courses in school administration particularly at the secondary level.

His biggest job at present is adjusting the administration of TJC so that the college will be able to obtain state funds as prescribed by new laws. To bring TJC to a class one status will mean that the school must have a board of education separate from that of the high school.

With the rapidly growing population of District 205, facilities at both Thornton and Thornridge are being stretched to the limit. Planning for expansion is important before overcrowding reaches the critical stage.

COUNSEL. Burton Evans, school attorney.

TREASURER. Owen W. Wyandt, township treasurer.

# Board, Counsel Establish School Policies

Board of Education of District 205 has had a year of plan making. Members have been working toward the time when the issue of a third high school will be presented to the public. So serious is the need for additional facilities for an ever increasing population that an architect has been employed to draw tentative plans.

Assisting the Board are district officers. Mr. Wyandt is township treasurer, with an office at TTHS. Mr. Evans is school attorney and Mr. Curless, director of data processing. Mr. Peterson is business manager and secretary to the Board; Mr. Diedrich, director of research. Mr. Hanrahan is administrative assistant to Dr. Logsdon. He is public relations man in charge of teaching and clerical staff recruitment, for all the schools of the district.

BOARD OF EDUCATION. Robert H. Reese, James T. Ozment, Willis S. Gouwens, Henry Vandenberg (president), Louis Boudreau, Herbert G. Greiner, Dr. W. Maurice Winston.

ADMINISTRATIVE ASSISTANT.
Robert P. Hanrahan, B.S., M.Ed.

BUSINESS MANAGER. J. A. Peterson, B.A., M.S.;
business manager and secretary to Board of Education.

# High School Principal Directed Thornton Affairs

From his office on the main floor south, Mr. Renfrow directs the affairs of TTHS. Offices of the guidance counselors are not far away. Meetings with department chairmen and advisory committee members are easy in the adjoining conference room.

Reorganization of the counseling system was the big change in Thornton administration this year. Counselors were assigned students from all grade levels instead of from just one class. From now on, only one fourth of a counselor's students will be new to him each year, and each class will have the attention of all the counselors.

Establishment of a rather complete data processing center now makes more information about more students more readily available to all concerned than was ever before possible. New machines meant new quarters.

In line with a policy of quality education for all students and of attention to the individual is the effort of all Thornton faculty, staff, and administration to keep TTHS the warm and friendly place it has always been. With a student body of over four thousand, such a program is not easy, but working at it makes the goal possible.

As Mr. Renfrow has said, "At Thornton we are determined—every member of our staff (administrative, teaching, guidance, secretarial, cafeteria, and maintenance), every student, and every parent—that every single individual will be treated with dignity and he will be given personal attention. We are determined to continue capitalizing on the advantage of being an integrated school and at Thornton we continue to grow in mutual understanding and mutual appreciation."

Principal's Advisory Committee is made up of representatives from each department, other than department chairmen. They meet several times a year, as needed, to discuss problems of school welfare and to offer solutions. Since their function is not primarily curricular, any matters of school welfare are within their discussion range. They are a cross-section of faculty opinion.

Department Chairmen are interested principally in courses of study, how to administer testing programs, and how to keep in step with current trends in education. Budget matters, textbook changes, new courses, quality of instruction, and coordination with other schools are their concern. Through meetings of their own departments, they get the thinking of all parts of the faculty.

# Parents, Faculty Joined in Solving Problems

Faculty Association general meetings were held four times during the year, twice at each school. Big social events were the picnic in the fall and banquet in the spring. Credit union plus numerous committees on such matters as salary, teacher load, and state legislation were high on the list of activities. Board and officers met monthly to coordinate activities and make policies.

Parent-Teacher Association, through its monthly meetings, helped to keep parents of TTHS students abreast of school problems and needs. Social affairs like the Faculty Tea and the Parent Prom kept the two groups acquainted with each other and gave opportunity for informal discussion of items of mutual interest. Christmas concert in the new theatre was a highlight of the year.

In the cluster of offices at the southwest corner of the new wing is conducted a large proportion of the business of Thornton, Thornridge, and Thornton Junior College. Offices all over the campus are coordinated here.

Business Office serves all three schools. Business manager for District 205 is in charge of all purchasing of equipment and supplies. Here all school accounts are kept.

Main office has the telephone switchboard and faculty mailboxes. Besides postal service from Harvey, there is the daily courier service to Thornridge.

Across the hall in the Counselors' outer office tardy passes, bus passes, summonses from counselors, and waiting students and parents are processed. Bus arrangements, faculty substitutes, daily announcements, student ID cards, and business too numerous to mention are taken care of by the Assistant Principal's office.

The Registrar and her assistants are keepers of the records and the source of report cards.

Meals, snacks, banquets, teas were all in the day's work for the cafeteria staff. Coffee breaks for the faculty, even breakfasts for students, became routine affairs for the women who cooked and served.

To get food ready for six lunch periods a day, to be ready for the first line at 10:25 and the last at one o'clock, took some doing. Since students had only a half-hour period to go through the line, get their food, and eat it, there was no time to be wasted in waiting.

Student helpers, student monitors, and faculty supervisors kept things moving for a minimum of clean-up at the end of each period. A conveyor belt for dirty trays and dishes and plenty of trash cans kept disposal problems at a minimum.

When the rush was over, the staff could eat their meal in peace and talk over the day.

# Maintenance Crew Kept Buildings Trim

Clean corridors and classrooms, properly lighted and heated facilities were the business of the maintenance crew. Nerve center for the whole place was the office of the superintendent of buildings and grounds. An inter-com system made it easy to keep in touch with all buildings. A daily work sheet and date book kept the hundreds of requests from faculty and administration in a well-organized state of readiness or completion.

Need a new ceiling light, thermostat adjusted, sticky window opened? Call the building office. Need packages delivered, equipment moved, a platform for the photographer, special lights turned on, extra chairs placed? Call the building office. Need a locker opened when it refused to budge? Wonder what happened to that lost sweater or those misplaced books? Check with the building office. Lost and found was quite a business.

When the going got rough, Mr. Doster and his secretary, Mrs. Williams, could be glad they had no major building construction this year.

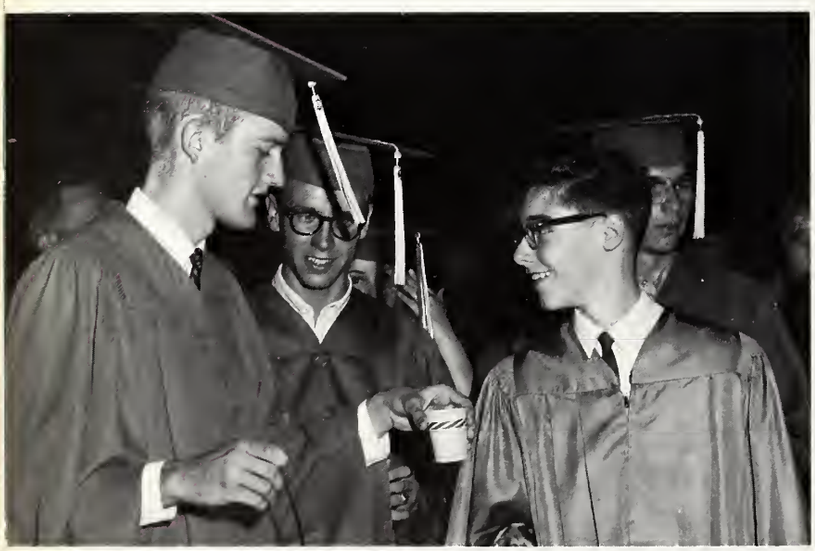
# Senior Class Made Its Mark on School Records

*Phil Krick is ready with PUNCH at the Honors Day reception as Mel Konsoer, Bill Gregoire watch.*



Seniors of 1966, sponsored by Mr. Gallagher and Miss Younker, began the year by entering a float in the Homecoming parade. Next on their list of activities, also in the fall, was College Night, which gave students and their parents opportunity to ask college representatives questions about tuition, housing, and admissions requirements of their respective schools. Seniors also found out which tests —ACT, SAT, or CEEB—they had to take that winter.

After months of taking tests and making college applications, the Washington trip, engineered by the Social Studies department, was a welcome relief. The long-awaited Prom in May was a cooperative effort with the juniors.

Traditionally, the senior president gave custody of the Flag to the junior president at Flag Day ceremonies as an end of official duties.

Commencement week is one of ceremonies in which those students who have made the biggest contributions to TTHS have the biggest parts.

Flag Day, a strictly Thornton tradition, has moved indoors with the growth of the school. Formerly on the west side of the campus, around the flagpole, it moved to the south when the new wing was added, but the theatre has taken that area too. Now the ceremonies are in the gymnasium.

Honors Day assembly is not only for senior honors, but for all others. Scholarship is high on the list with honor rolls and National Honor Society selections. Seniors who have been granted college scholarships are presented. So are those who have attained recognition in other fields, such as music, science, and athletics.

Commencement is the high point for all seniors for that is the climax of their high school career and the beginning of a new one, in college or business.

# NHS Choices Added to Senior Honors

Something new was added to National Honor Society selections this year—a mid-term installation ceremony. Eleven new members were added to NHS—seniors at that time eligible both in scholarship and in the membership quota permitted by the society's rules.

These eleven new members were Suzette Broome, Larry Dodson, Lana Fattig, Debbie Helms, Linda Jackson, David W. Johnson, Judy Kurth, John Mikenas, Sylvia Stalter, Barry VanDyck, and Jerry Vrshek. Instead of having to wait until Honors Day, these seniors could participate in NHS activities for the second semester.

Membership in the society is based upon character, leadership, and service to the school as well as upon scholarship. Faculty members vote upon eligible students and a faculty committee appointed by Mr. Renfrow makes final selections.

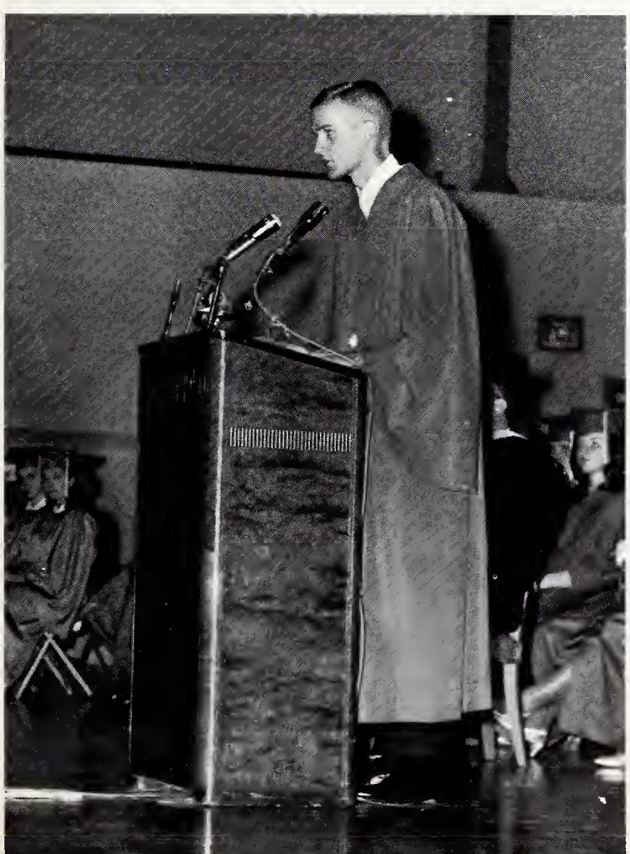
# Top Juniors Shared Honors with Seniors

*Phil Krick was one of two student SPEAKERS for the 1965 commencement.*



Juniors, as runners-up to the Senior class, were backed by sophomores and freshmen as future leaders.

Under the sponsorship of Mr. Caster and Miss Hilbert, juniors played a major role. Many eligible for top honors were accepted into NHS. Juniors also assumed large parts in school clubs, music groups, and athletic teams. Their Homecoming entry won second. Ring selection was a highlight.

Sophomores had Mr. Bruno and Miss Leahy for sponsors. Eager to participate, they had a parade float and contributed to the International Dinner in February. Big social event was the Frosh-Soph party in April.

Freshmen, sponsored by Mr. K. Miller and Mr. McGee, spent most of the first term getting acquainted with Thornton. High academic standing led them to an Honor Roll assembly with Mr. Brown, dean of boys, and Mr. Beier, college counselor, as speakers. They decorated the Frosh bulletin board at Christmas and had a homeroom exchange program.
